The Allegan Aquatic and Recreation Department is expanding our programs in the area. Before we do this, we would like your input. Below is a list of programs we would like to introduce the next few seasons. They are classified by age group. Please mark or circle the programs you would like to see added and return this form to the Aquatic and Recreation office as soon as possible. (You may simply return it to your child's school.) If there are any other programs or activities you would like to see added, please add them to the bottom of the page. Thank you for your interest and support in the Allegan Aquatic and Recreation Department.
